

ISAC TOURNAMENT IN CEBU

EIS Boys football CHAMPION

Our boys were certainly, and according to everyone present over the four days in Cebu International School, outstanding, brilliant and remarkable on and outside the pitch. Their competition started on Friday, under a very bright sun, with a first match versus the host team, favorite of the competition. Our players were obviously nervous and the crowd was supporting the CIS team. Yet, EIS came out with a victorious 1-2..

The following games became easier and easier in spite of a drastic change in the weather on Saturday. The pitch became very muddy and it was difficult to play. Yet our boys ended up the first round-robin with a clear record sheet of 18 goals scored and only 2 against. They qualified for the semi-final. Because of our early return flight schedule, our game was advanced to 7:15. After a short night of sleep all the boys arrived very confident to face Brent Subic. Once again, EIS dominated the game in all areas and won easily 4-0. The second semi was between Baguio and Cebu. The game was a great upset for the home boys who lost 1-3 versus a very courageous Baguio team. Finally we had to face a very tired Baguio team who had given her best and more to win its semi-final. At 10:00 am the referee blew the whistle to signal the kick-off of the final between Brent Baguio and EIS

. The first half was tense with our opponent fighting off each EIS challenge. Just before half time, the score was 1-1. Finally the strength, the skills, and the technique of the EIS squad prevailed and our strikers scored goals after goal for the last 40 minutes, finished off their Cebu campaign with a 6-1 win in the final. Kevin Motshmann scored a total of 9 goals. Some thought he was only a basketball star!
